## PROJECTS

### ENCODED:

<https://encoded-platform.herokuapp.com/>

[GitHub - therealsweven/magnificent-mustache-men: Social Networking App for the Tech Industry](#)

An alternative to LinkedIn with a focus on the tech community that uses a noSQL database that displays React functionality and the usage of npm libraries such as Yup and Formik to handle validation and user input.

### DevLore Café:

<https://secure-mesa-62807.herokuapp.com/>

[GitHub - hollyhleal/beta-tasters](#)

A web application that allows a restaurant owner to put their menu on display for user review. Utilizes a SQL database and Handlebars on the front end and cleverly puts to use the Form element to handle the capturing of user input.

### Digital Librarian:

[Digital Librarian \(jamesgeneser.github.io\)](#)

[GitHub - JamesGeneser/book-search: Google Books API functionality. Search for your favorite books and authors](#)

A book search application that enables you to search details about the author and their works utilizing googles books api, JQuery, HTML, and CSS.

## EXPERIENCE

### PRODUCTION MANAGER

PlayWilder Toys LLC, Colorado Springs, CO | 2020 – 2023

PlayWilder Toys was founded in 2020 and deals in the manufacturing of children's Montessori climbing gyms. To this day, they are rapidly expanding and creating new products to improve kids' development and play.

- Led production team in manufacturing of all orders.
- Hired and trained new employees.
- Developed current employees to grow and take on greater responsibilities.
- Helped to increase efficiency through the creation and implementation of Standard Operating Procedures (SOP's).
- Responsible for ordering all lumber and supplies.
- Led monthly one-on-ones with current staff to check in and see what insights they may have to help increase productivity.
- Operated complex machinery such as a CNC table and conveyor belt sander safely and with efficiency.

### EXPERIENCE continued

#### ROUTE MANAGER

Interstate Batteries, Sarasota, FL | 2018 – January 2020

Interstate Batteries is one of the top selling lead acid car battery brands on the market. As Route Manager my responsibilities ranged from Truck Driver to Salesmen.

- Managed and provided exceptional customer service to over 100 accounts.
- Stocked accounts with every battery sold since last visit.
- Aided each account in the warranty of batteries and helping customers understand the process.
- Cleaned and maintained route truck every week to keep in optimal running performance.
- Demonstrated discipline in restocking route truck every evening to setup the following day with all necessary batteries and accessories.

#### PUBLICS COORDINATOR | EVENT SERVICES STAFF

Glen Eyrie Conference Center, Colorado Springs, CO | 2013 – 2018

Glen Eyrie is a beautiful 700-acre retreat nestled into the foothills of Pikes Peak. Owned and run by the Navigators, it is a conference center that serves not only groups of 300+ but also individuals as well. Working for the Navigators was a continual learning moment, my time as Publics Coordinator sharpened and honed my adaptability and ability to lead multiple projects and teams while overseeing all public spaces on property.

- Demonstrated ability to lead multiple teams comprised of 3-4 individuals in detailed housekeeping and customer service.
- Cross-trained all housekeepers in the maintenance and cleaning of the 7 lodges on property.
- Lead and aided in the setup of all meeting rooms to meet group specifications.
- Maintained and ordered all inventory for housekeeping and public stock.
- Coordinated with event planners to help meet group needs and make final tweaks in room arrangements and meeting room setups.
- Communicated all applicable details of the day's work to the Manager and supervisory team to best setup the following day for success.
